Presidential Message

Dear colleagues and clinic owners:

The Board of examiners recently presented the Law seminar at the ASCA convention. Dr. DeFranco did the introduction and Board attorney Jim Ward presented the seminar on the complaint process. We have received a lot of feedback that this was the best law presentation we have done thus far.

The seminar went through the process of complaints from beginning to end and our goal was to help the licensee understand what is involved if you ever find yourself having to navigate a complaint.

The Board worked on a piece of legislation that was inadvertently left out of the bill last year that would allow DC's to carryover up to 16 CE hours in excess of the required 18 yearly.

The bill made it through the process in both houses but failed to pass due to last minute filibustering. We may introduce this in the future if there appears to be enough interest.

The complaints received this year are at or below average and range from records release to practicing without a license.

Renewal begins Aug 15th and as always I suggest you begin the process as soon as possible in order to resolve any issues you may encounter such as missing CE hours, no business license etc.

Brian Wells, DC
President ASBCE

REMINDER

You will not receive an email notifying you of the hours we have on file for you. If you have not yet obtained your required continuing education hours for renewal, please review the seminars list on pages 2-4 of this Newsletter. The renewal process is much easier if you don't wait until the last minute to obtain these hours and submit them to the Board. (18 hours required for renewal each year) Also, be sure you have purchased your Alabama Section 136 Business License for the year 2015-16 and have submitted a copy to the Board office. You may email these to ashley.stewart@chiro.alabama.gov or fax to (205)-755-0081.

****Difficulty Printing Renewal Card****

The Board office has received some calls regarding difficulty printing renewal cards. There is currently a Windows 10 issue that will not allow the Renewal Card to print. Please try printing using Firefox or Google Chrome if you encounter this problem with Windows Internet Explorer.

If you continue to have problems after trying these options please call the Board office for assistance.

If you haven't printed your 2015-16 Renewal Card and will need it before renewing for the 2016-17 Renewal period you must print it or save the file to your computer prior to the 2016-17 Renewal application opening August 15, 2016. Once the renewal application opens for 2016-17 you will no longer have access to your 2015-16 Renewal Card.

Online Reinstatement Application Changes

If you fail to renew your license and you wish to reinstate there are some changes to the Online Reinstatement Application. Previously you would receive a paper application after completion of the online process. You will now print the application immediately after completing the online application. You will then complete anything additional required and mail to the Board office. Once received you will be mailed a cover letter and additional requirements. Please call the Board office if you encounter problems when completing this application or if you have any questions.

Submitting Seminar Applications

If there is a seminar you would like to attend that has not been approved by the Board and you would like to use the seminar for Continuing Education hours for renewal you have the option of paying the fee for the seminar application. The paperwork for the seminar must be submitted by the sponsor and the 30 day deadline still applies. If you would like more information on this process please contact the Board office.

Renewal Reminders

All documents required for renewal must be in the Board office 48 hours prior to accessing the online renewal application. You will no longer be allowed to login and complete the application unless the system can verify our office has your 18 continuing education hours including 2 hours in AL Law (4 hours AL Law for new licensees), the correct business license and your citizenship documentation on file .

For the 2016-17 Renewal Period the correct business license will be the license which expires 9/30/2016. (See sample below.)

Please remember that seminars are no longer retroactively approved. If you practice in Alabama be sure to verify that there is a (6) six digit Alabama approval number assigned to the seminar prior to registering for a seminar you are planning to use for renewal. If you practice outside Alabama you may use seminars approved by the state in which you practice.

All licensees, unless in a Retired status, are required to obtain the Alabama Law hours.

If you have any questions, please contact the Board office.

Continuing Education Information

If you do not renew until after October 1 and you take a seminar October, November or December for renewal credits any hours not needed to satisfy the renewal requirements may be carried over to the next renewal period. If you are unable to obtain the required hours for renewal due to personal illness, military service, or other circumstances beyond your control please contact the Board office for instructions on alternative options as soon as possible.

General Reminder for Renewal

All licenses and permits must be renewed by September 30, 2016. We will not send an email with the hours we have on file for you. You may now check these hours on our website. On the Online Services page, click on License Renewal and login with your license number and the last 4 digits of your social security number. If you have still lack hours for renewal you will see a notification of how many hours. A list of the hours we have on file for you will also be displayed. If you have hours that are not listed please call the Board office.

Congratulations to those licensed since April 2016
